Although this information received in the International Search Report (ISR) has previously been considered in this National Stage Entry of an International Application, Applicants are submitting this IDS only to ensure that the information be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

This Information Disclosure Statement is being filed in good faith to ensure that the references cited are printed on the issued patent; these references are presumed to have been available to the U.S. Examiner on the date of entry into the national stage of the international application as set forth in 37 CFR 1.491 (37 CFR 1.97(b)(2)).

Copies of the references on the PTO/SB/08 are not provided, and a copy of the ISR also is not provided, as the International Bureau is presumed to have provided these items to the U.S. Designated Office.

A concise explanation of relevance of the items listed on form PTO/SB/08 is provided for each item listed in the ISR, which is also presumed to have been made of record in this National Stage Entry.

In accordance with 37 CFR 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists. In accordance with 37 CFR 1.97(h), the filing of this Information Disclosure statement shall not be construed to be an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.

It is submitted that the Information Disclosure Statement is in compliance with 37 CFR 1.98 and the Examiner is respectfully requested to consider the listed references.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 22-0185, under Order No. 21547-00280-US.
